5 – Chairman's Report

Apologies as this AGM is overdue...trying to hold onto my Johnson like position as chairman...Boris that is Founded by Mr Simon Locker five years ago we now have 138+ members.

Our members are very active. After all we are ORC

A club built on faith from the very beginning

A faith in ourselves

A faith in each other

We don't take shortcuts, we earn our miles

However great the temptation we never stop, we never lose faith, we keep moving forwards.

We are ORC

 - 3 runs per week
 - 7k ave per run
 - 24 people per run
 - 52 weeks a year
 - 26,208 km total
 - 24,902 = Around the world

I became Chair in September 2018 following the AGM and the departure of the outgoing Chair, Julie Chamberlain.

I am very honoured to take over the role and I have enjoyed overseeing an eventful year in the clubs history. The year which will be explained in more detail throughout the AGM. We seem to outperform many other clubs in terms of love dedication and devotion.

Our latest scandal which could have been avoided, we were bruised but nothing long lasting.

Thanks go out to the members of whom many contacted us, during the process offering their support.

I am pleased to announce that Brexit will not effect this club.

We remain focused however, on delivering the club strategy. We are excited by the opportunities ahead but also cautious as we realise that shaping ORC in to what we want it to be, after the early years, will take time and continued support.

Governance

Outgoing Vice Chairperson/Membership: Emma Thompson

Long serving Emma Thompson has been an invaluable member of the ORC team for over many years, however as the focus of her new venture offering sports and rehabilitation massage meant that Emma cannot commit to the club she loves. We wish her and her new venture well. She has plenty of customers and plenty of happy endings...to people rehabilitation's.

Special thanks go out to

Treasurer: Simon Locker / Charlotte Locker

Secretary: Hannah Lines

Welfare officer: Vickie Knight / Trudie Howman

Media: Mat Davies

Social: Julie Chamberlain / Alison Wright / Marie Kirkham

I would like to give my heartfelt thanks to their commitment and support. We have fun running this club. I love you all.

Diversity within the club is essential, and we believe this plays an important role the success of the club. The diversity and values of our varied member base ensures we endeavor to provide equality of opportunity and will not tolerate discrimination on grounds of gender identity, sexual orientation, race, nationality, religion, age, disability or any other grounds.

As the club continues to grow there has been increased focus on creating a consistent method of implementing Health and Safety measures and evaluating the Clubs safety performance. Policies are implemented, in conjunction with legal standards, to protect our members and general public.

Our biggest risk to this is ourselves, so lets continue to treat each other well and always choose the right time and place to raise club matters. Lets be honest and open without jeopardizing each other's happiness.

Our People

Our Members are a priority and the Committee is dedicated to treating all members with dignity and respect. We appreciate all the efforts and contributions that have made. We are very pleased to welcome many new members to the Group who have added even more weirdness than existed before. Some really good runners too. We sometimes forget to realise what runner offers to each individual...we all have our own stories to tell about the benefits of running...mentally and physically. Key individuals within the club have such a level of knowledge and experience of the community and sporting life which makes them essential to continue to further the interests of the club. We are always looking for volunteers to step up and become a Jog Leaders.

Outlook

We remain very focused on delivering our elevated club proposition. We will see some great milestones achieved in the year ahead, with the Gunby Gallop we believe will be a fantastic running experience and showcase our intentions to make a staple run event for many in the local area.

"You know my feeling about what we did!!! We're fucking awesome!!!"

"Great event today, really enjoyed taking part. Friendly people, great location and the marshalling was the best and most comprehensive we've seen - even for plonkers like us it was impossible to go wrong ! Looking forward to coming along again next year...hopefully without the bees !!"

We have a dynamic committees team making sure we retain the core values of the club. We would like to see some stability and certainty with club funds. To this end, sponsorship will be investigated and Simon Locker has promised to stop using funds for his Botox. It is an exciting time.

Community involvement

The Club engages at various levels with the local communities in which we operate, and in relation to our base in Overseal. We continue to actively work with Overseal Gala Committee, which aims to help Overseal retain its local support functions and community spirit.

The Club supported a number of local charities and organisations through the year primarily through the donation of friends and Family. Notable events were:

- Gala
- Tug
- Fireworks
- Gunby Gallop

Eco-Friendly – Away from Old and new cars...ORC are contributing to the Co2 emissions problems...so Boris Johnson has asked me to ask you all to stop breathing out. Ha Ha!

Date of Next AGM – Sunday 18th October 2020
